

HOPPERS CLASS: MARCH 2020

Dear Parents:

March is here and we have many activities planned. Each theme will be reinforced with Spanish and music.

St Patrick's Day will be our theme for the first two weeks: We will teach the children about this holiday –about Ireland, St.Patrick, why we wear green clothes etc.

The last two weeks our theme will be “Shapes.” Our world consists of many shapes all around us. Many of your children are familiar with the basic shapes and how to combine shapes to create other shapes. For example: two triangles make a square or rectangle. They will also practice tracing and drawing some of the basic shapes.

English	Spanish
Irish	Irlandes/sa
To pinch	Pelliscar
Parade	Desfile
St Patrick	San Patricio

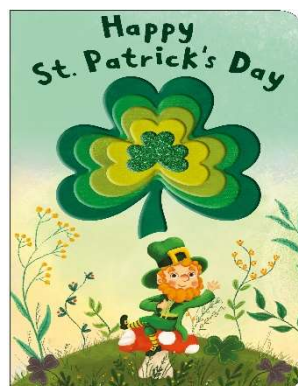

Shapes	Formas
Rectangle	Rectangulo
Circle	Circulo
