

Dear Parents (*Queridos padres*):

Last month in February, your children have been exposed to different classroom activities. They have learned about math concepts, writing, reading, and recognizing basic words. They also have been learning about cutting paper/gluing in arts and crafts, and identifying upper and lower case letters and their sounds. We will continue these activities throughout this month.

Weekly Themes for March - *Temas Semanales de March*

Week 1- 2 St. Patrick's Day

For this week, we will spend time talking about who was Saint Patrick and why he was so important in spreading our Christian faith. The children will learn the significance of the shamrock and its relations to St. Patrick's Day.

Weeks 3-4 Spring

During the last two weeks of March, the children will become more aware of many changes that take place in the spring. Our goal for this theme includes spring colors, plants, and insects.

Special Activities- *Actividades Especiales*

On Mondays, they are learning music and movements with Ms. Helen. On Wednesdays, they are enjoying new physical activities with Coach Omar. On Friday we have Zumba,
