## BUILDING BLOCKS DAY SCHOOL: THE BUTTERFLIES CLASS

Dear parents:

This is an overview of what we will be doing this month

Your child has been exposed to different activities, such as using fine motor skills (cutting paper, tracing shapes and letters, coloring/drawing) and identifying colors, letters, shapes, and numbers.

Our first topic is **Fall Season**. The children will become more aware of the many changes that take place in the fall season. For example, in the fall, the leaves change colors, the day becomes shorter and cooler, and we wear warmer clothes.

For the second week, our topic is **My Body**. The children will become aware of our body parts: head, shoulder, knees, toes, eyes, ears, mouth, and nose... We will explore why god gave us these body parts and how our body work and move.

During the third and fourth weeks, we will be focusing on the **Five Senses**: tasting, touching, hearing, smelling, and seeing. There are so many ways on how we use all of our senses. Many times, we tend to use multiple senses at once.

During our last week in October, we will focus on **Halloween**. The children will learn about the Halloween colors, costumes, symbols, and the Halloween activities. We will have our annual parade and special snack on Tuesday, October 31<sup>st</sup>.

**Art Time:** fall collage, leaf rubbing, body tracing, paper plate pumpkins, seeds collage, easel painting, and Halloween crafts.

English	Spanish
<b>Autumn</b>	Otono
<b>Cold</b>	Frio
<b>Hot</b>	Caliente
<b>Head</b>	Cabeza
<b>Shoulders</b>	Hombros
<b>Knees</b>	Rodillas
<b>Eyes</b>	Ojos
<b>Foot</b>	Pies
<b>Fingers</b>	Dedos
<b>Ears</b>	Oidos
<b>Listen</b>	Escuchar
<b>Look</b>	Mirar
<b>Smell</b>	Holer
<b>Red</b>	Rojo
