THE BUTTERFLIES CLASS

Dear Parents – Queridos Padres

First we want to welcome to all our wonderful children to our class. We are sure that we will have another exciting school year. We have planned so many fun activities, songs, and stories related to our themes.

One of our objectives is to help the children interact with each other and use appropriate behavior in class.

Each week, we will be focusing on a different theme as well as reviewing letters, shapes, colors, and numbers.

We will also be enjoying our weekly enrichment classes throughout the school year. We will have music and movements, new exercise activities with Coach Omar, and learning American Sign Language with Ms. Sara and Spanish during our daily routines.

We are thrilled to be working with your child and looking forward to the fun filled year we have ahead of us.
