

## Bumblebees April 2019 Newsletter

The weather is starting to warm and flowers have started to bud - Spring has arrived!

The children have enjoyed talking about spring and all the changes we have seen outside. We will soon be learning all about the Easter story and having fun with the many activities that come with celebrating Easter including dying Easter eggs and having Easter egg hunt. We will start our month learning about the different farm animals and end with the Earth Day theme.

### 1<sup>st</sup> Week: Farm Animals:

Just like our pets, farm animals are intelligent, social and depend on people for proper food, shelter and care. What we get from them? meat, milk, eggs and more.

Our children will be introduced to some farm animals, their care and their needs.

### 2<sup>nd</sup> Week: Easter:

The class will learn about Easter, what it represents and why we celebrate. Also, we will talk about the traditions which comes with this special holiday.

### 3<sup>rd</sup> Week: Earth day:

Earth day has to be every day 😊 It is a day to learn about ways to protect our environment. We need to learn and teach about the importance of taking care of the earth now for the future.

- ★ All arts and crafts will be focus on our weekly themes. We will be reading books, cutting papers, painting and coloring. April will be another busy and fun month full of learning and creative activities. "Happy Easter" and enjoy the spring break.

### Classroom Goals
