

Lesson Plan – January Two's

Happy New Year to everyone!!! This month seems very cold, we will

cover winter clothes, like mittens, hats, scarves and snow. We want to add one letter, number and color every other week. We are going to repeat and play every day at circle time. We encourage our students to have *artistic* and *creative* experiences, like finger paint, brushes, chalks, crayons, color pencils, markers, etc. in order to help develop their fine motor skills, creativity and independence.

All of these subjects will be accompanied by books, songs and crafts relates to the theme. We will also keep the routine of adding and repeating more words in Spanish like “Hola, como estas?”, “Buenos dias”, “Adios”, “Que te vaya bien”, “Mas leche”, “Agua”, “Mi mama”, “Mi papa”, etc.
