

September was a busy month for children reading and participating during story time and are looking forward to following the lead of October will be wonderful as well. We will talk about the cold weather, windy days, cooler days, leaves on the trees, etc.

Lesson

The Children have been exposed to reading and learning. We will continue helping children interact with one another, facilitate learning to take turns and shared materials at an age appropriate level, we believe that children learn more by doing than listening or watching. Also they learn more words in Sign Language and Spanish, like Autumn: Otoño, Leaves : Hojas.

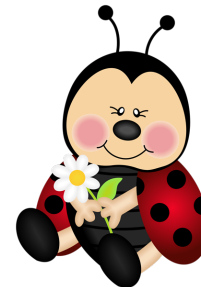

During this month we will talk about two topics:

- 1.- FALL BRINGS CHANGES: Letter: A ; Number: 1; Color: Yellow , Shape Square.
- 2.- HALLOWEEN : Letter: B; Number: 2; Color: Orange, Shape: Circle.

Art Activities:

Fall Color Leafs
